

The OpenSource for Space Podcast - An Update

Thursday, 9 December 2021 17:15 (5 minutes)

I would like to submit an application for an lightning talk to give a small update about the podcast project I proposed last year.

The podcasts is about making open source projects public and having an easy/verbal/central place to inform the community

Primary author: CEGLAREK, Jan-Peter (polaris, TUDSaT)

Session Classification: Lightning Talks
